

CourtWatch MA

SHIFT INFORMATION:

This is a place for you to write up the information specific to your entire shift. You should complete one form per courtwatch shift as the information you collect here will not change throughout your shift.

Thank you so much for taking the time to courtwatch. The detailed information you collect is essential to this project. The most important information we can collect as courtwatchers, beyond the specifics of each arraignment, are the stories about how our neighbors are treated in court; what's happening in people's lives; how defense attorneys, prosecutors, and judges are talking to and about people; and the impact that being prosecuted has on people.

Here are some prompts to guide you:

- What stood out to you about the conduct of defense attorneys? Prosecutors? The judge?
- When did you witness harsh or inequitable treatment?
- What case or cases concerned you most? What about them was concerning?
